					Total = 10	Total = 10	Total = 20		Total = 16	
Total classes = 40 (20 per week on average)										
Total ECTS Credits									60	

Course status:

O= Obligatory

E= Elective

Notes:

- The student is able to form his/her own academic aims by being offered numerous elective courses in 9th semester (1st MA semester) out of which he/she can choose the ones according to his/her professional or scientific interest. The student must:
 - take the Methodology of scientific work as an obligatory course which brings the student 6 ECTS credits
 - choose at least 4 elective subjects and collect at least 24 ECTS credits.
